

Raise Funds for Weybridge Rowing Club

3 ways you can ensure WRC benefits!

1. Buy online

Every time you make an online purchase with one of the 2,000+ retailers (M&S, John Lewis, Amazon, Expedia, Tesco (non-food), Argos, Dell, Boots, Direct Line, etc) that have signed up to easyfundraising then they will pay a % of your purchase as a donation to your cause.

Simply register at <http://www.easyfundraising.org.uk/>

Then, when you want to make a purchase online, first login to your easyfundraising account, search for the retailer you wish to purchase from, click on that retailer's logo and you will be re-directed to the retailer's own website where you can shop as normal. Because you click through from the easyfundraising website, WRC will be registered as the cause to benefit from your purchase.

2. Download and install easyfundraising search engine

For every search carried out on easysearch.co.uk instead of, for example, google easyfundraising will make a donation to your cause. By making just 10 searches a day each supporter can raise £20 for the nominated cause. For WRC to be credited with this, searches must be carried out at the following address - **please make this your homepage!**

<http://weybridgerowingclub.easysearch.org.uk/>

3. Invite another good cause

By referring another organisation we can receive 20% of whatever they raise in their first year. Importantly, this does NOT affect the amount the referred organisation receives – so if we refer an organisation that raises £500 through easyfundraising then they will receive that £500 and we will receive £100 also. However, to do this, the cause we are referring MUST register using the following address:

<http://www.easyfundraising.org.uk/invite/1OHAPR/3B9I99/>
